Subject: our move day Dec. 7, 2012

Hi:

It's been a little while now and we are settling it our home nicely.

We just wanted to say how pleased we were with our move Dec. 7th and particularly the 3 people you had assigned to us Shane, Kevin and ... They were efficient, wasted no time and were more than helpful in adjusting runs to accommodate changes in plans for us in what went where. They maintained good humour throughout and made a stressful move for us quite bearable and even fun.

We would highly recommend your company and this crew to anyone.

Thank you very much.
