Hi Morrison Movers !!!!!

Just wanted to take a minute to thank you for making our move so easy. Right from the beginning, with the delivery of boxes right to our door, you were amazing. Any e-mail I wrote was answered right away by Eve. When the guys arrived, right on time, they could tell I was a little stressed doing last minute packing and Danny put a hand on my shoulder and said don't worry, take your time, everything will be fine and it was. We couldn't believe how quickly and efficiently they packed our things and were finished mid afternoon which gave us lots of time to clean the house before loading up our dogs in the car and heading for Kingston.

Then came delivery day and they arrived on time with a friendly good morning and got right to the unloading. What a great bunch of guys, always joking with us and each other but work so well as a team and you can tell they have respect for each other. They worked so hard and before you knew it everything was unloaded and all our furniture and belongings were in our new home without mishap.

We would not hesitate to recommend 'Morrison Movers' to anyone. Thanks again to all of you for a job well done.
