Subject: Thank you!

Hi Michael;

I apologize for the delay in writing to you, but we've finally started to really settle in and I finally have time to compose this note to you.

I wanted to *Thank You*, and all your Team (John, Cody & Alex), from the bottom of our hearts for moving our precious cargo from 14 Lagoon to 446 East 37th Avenue when we sold our house of 18 years and uprooted to a new one.

Your team was beyond professional at all times, incredibly careful of our possessions and needs - and frankly - they are absolute workhorses! I had to force them to take breaks on what turned out to be a beautiful, but very hot, summer day. They just kept moving and all the while were friendly, and funny as hell - they had us in stitches! It was wonderful!

By the end of the day I was sad to see them leave, and to me that speaks volumes to how *seriously they take pride in their work and in their customer service skills.*

I am continuing to recommend Morrison Movers to all my friends and Colleagues and will be forever grateful for the time, effort and care that you and your team took with our move.

You all took an incredibly stressful time for us and made it seem like just another day at the office which made our lives so much easier.

Please pass my thanks along to the guys!

Thank you, we will be forever grateful!

Have a Wonderful Day!!!

Lysha & Steve Stack

(Livin' the dream on East 37th!)
